

Serviced Apartments and Homes for Film & TV, Cast and Crew

What is Corporate Housing?

As the leading provider of temporary housing, National offers short-term housing solutions for film casts and crews across the country. Your serviced apartment will include:

- Fully furnished housing including all housewares, utilities, washer/dryer & Wi-Fi
- Flexible housing across Ohio to meet the needs of filming productions
- Local support and area knowledge to place you close to your sets, crew members, etc.

Why National?

We make temporary living easy and provide customized housing experiences. National provides a comfortable home away from home, enabling you to focus more time on the field, and less time on a housing search. Each guest works with a designated National representative for individual housing needs, providing flexibility and attention to customer care.

From start to finish, we make the transition as smooth as possible.
